

Vortex Production Services Ltd focuses on delivering a range of products and services to support the ongoing maintenance of natural gas and oil production and has developed a reputation as a trusted and experienced supplier to most major oil and gas producers and infrastructure companies in Western Canada.

Our Structures Division is a premium manufacturer of polyurethane panel buildings and distributor of wholesale polyurethane panels for the oilfield and construction industries with coverage across Canada and USA.

Our Service Division has one of the largest fleets of mechanic service trucks in Western Canada, operated by one of the most experienced teams of heavy-duty mechanics, with coverage across Alberta reaching into Saskatchewan and British Columbia.

We are now seeking full-time employees for the following positions in the Stettler branch:

SHIPPER / RECEIVER

Tasks Include:

- Pick & package material orders.
- Load & unload delivery trucks.
- Perform hotshot deliveries.
- Maintain a clean work & storage area.
- Operate a forklift.

The following qualifications would be an asset:

- Proven organization skills.
- Ability to perform in a busy environment and prioritize tasks.
- Experience operating a forklift; however, we will train the right candidate.
- Valid driver's license with clean driving record (abstract required) and experience with towing a trailer.

Benefits Include:

- Competitive wages.
- Excellent benefits (health, dental, life insurance, disability etc.).
- Safety focused environment.

If you are interested in a career with an established energy services company, please apply in person at 7201-50 Ave., Stettler, Alberta or fax your resume to 1.403.742.6901 or email rhogg@vortexservices.ca
