

Vortex Production Services Ltd focuses on delivering a range of products and services to support the ongoing maintenance of natural gas and oil production and has developed a reputation as a trusted and experienced supplier to most major oil and gas producers and infrastructure companies in Western Canada.

Our Service Division has one of the largest fleets of mechanic service trucks in Western Canada, operated by one of the most experienced teams of heavy-duty mechanics, with coverage across Alberta reaching into Saskatchewan and British Columbia.

Our Structures Division is a premium manufacturer of polyurethane panel buildings and distributor of wholesale polyurethane panels for the oilfield and construction industries with coverage across Canada and USA.

***We are now seeking a full-time employee for the following position required for the
Drayton Valley Branch:***

PUMP TECHNICIAN

Position Summary:

Reporting to the Branch Manager, this position is responsible for the service and repair of various pumps, both in the field and in the shop. Vortex is seeking a reliable candidate who is willing and able to use commitment and innovation to drive our organization towards success.

Responsibilities:

- Inspection, troubleshooting, determining technical issues, maintenance and repairs / rebuilding of mentioned pumps.
- Shop and field work as assigned.
- Other duties as assigned by Manager.
- Maintain a respectful relationship with customers.
- Ensure accurate and timely completion of work orders.
- Follow and enforce safe work procedures in the workplace.

Qualifications:

- Apprentice or Journeyman Mechanic (Millwright, Automotive, Ag-Mechanic or Heavy Duty)
- Must have experience with various P.D., Centrifugal and P.C. style pumps.
- Training will be provided for the right candidate.
- Highly motivated with strong interpersonal and communication skills.
- Ability to organize, multi-task and prioritize jobs and tasks accordingly.
- All required safety tickets.

Vortex Offers You:

- Competitive compensation
- Excellent benefits (life insurance, disability and employer paid health & dental)
- Voluntary participation in company RRSP
- Safety focused environment

If you are interested in a career with an established Energy Services company, please apply in person at Bay 4, 3205-63 St., Drayton Valley, Alberta or email your resume to rhogg@vortexservices.ca

We thank all applicants and advise that only those candidates selected for an interview will be contacted.
