

Vortex Production Services Ltd focuses on delivering a range of products and services to support the ongoing maintenance and construction of energy and industrial related projects and has developed a reputation as a trusted and experienced supplier to most major oil and gas producers and infrastructure companies in Western Canada.

Our Insulated Panel Solutions Division is a premium manufacturer of polyurethane panel buildings and distributor of wholesale polyurethane panels for the oilfield and construction industries with coverage across Canada and USA.

Our Services Division has one of the largest fleets of mechanic service trucks in Western Canada, operated by one of the most experienced teams of heavy duty mechanics, with coverage across Alberta reaching into Saskatchewan and British Columbia.

We are now seeking Full-Time employees for the following positions in the Stettler branch:

INSULATED METAL PANEL BUILDING INSTALLERS

Tasks Include:

- Prep & install insulated metal panel buildings primarily for the oil & gas industry.
- Prep & package building material packages.
- Working within a group setting.
- Working at heights.
- Travel to various locations within central Alberta; Valid Class 5 license required.
- Both shop & field work.
- Building experience is an asset, but will train the appropriate candidate.

Benefits Include:

- Competitive wages.
- Excellent benefits (health, dental, life insurance, disability etc.).
- Safety focused environment.
